To order a product, you have to:

1) Selet the Reference of:

■ the **Mechanism** of the function you need;

■ the **Frame** in the finishing of the chosen Series;

■ the **Rocker / Cover Plate** appliable to the chosen mechanism in the selected Series.

2) Choose the Finishing:

Add to the **Frame** and **Rocker / Cover Plate** references a two-letter suffix corresponding to the finishing you need.

Examples:

FUNCTIONS	SERIES	FINISHING	REF. MECHANISM	REF. FRAME	REF. ROCKER / COVER PLATE
